POMONA RELEASED TIME NOTICE AND CONSENT FORM

Released Time Education has been an effective Christian ministry to public school children on a released time basis since 1914, across the nation and in many of our neighboring cities. Children are taught a moral standard from a biblical perspective. Under California Education Code section 46014, elementary school students who attend at least the minimum school day for their grade level may be released from school with parent/guardian consent, on up to four days per month, to attend off-site religious instruction provided by an outside organization. You are now offered the opportunity of enrolling your child in a 40-minute Bible class once a week during lunch time away from school property. Your child may bring his/her lunch to the designated place: a bus as a mobile classroom parked close to the school campus in Pomona or Diamond Bar. Your child must follow the school's sign-out and sign-in procedures.

Pomona Released Time Education is registered through the State of California as a non-profit corporation, supported by churches and interested individuals in the Pomona Valley. There is no charge to you as a parent/guardian. The Released Time teacher will walk participating children to and from the Released Time Education Bus where Bible instruction is held. Children are covered by insurance carried by Pomona Released Time Education.

DISCLAIMER: THIS IS AN INDEPENDENT, PRIVATE PROGRAM AND IS NOT AFFILIATED WITH OR SUPERVISED BY POMONA UNIFIED SCHOOL DISTRICT OR YOUR CHILD'S SCHOOL.
